

CODE OF CONDUCT

APSA International has for aim to provide care, support and education to TYPE 2 diabetes patients in Mauritius, as well as those at risk, in order to prevent complications. In pursuing this aim, the Association is at the service of those diagnosed with diabetes, and those at risk.

- We recognise patients with diabetes as dignified human beings in all our services.
- We act professionally, honestly, and with integrity in all our activities in accordance with the professional standards, governing laws and legislation.
- We promote the mission and vision of APSA International in all dealings with the public and within our organisation.
- We provide a valued experience for those on the receiving end of our services inside and outside the organisation.
- We provide services and care to patients regardless of their gender, age, culture, religion, political affiliation, or sexual orientation.
- We fully comply with the policies and procedures of the Ministry of Health and other delegated health institutions.
- We fully respect and maintain patient information confidentiality and strictly follow the Data Protection Act.
- We work openly and transparently, reporting the impact of our work to related institutions and corporate.
- We remain accountable to those who seek to support and assist our organisation and to those from whom we accept resources.
- We take full responsibility for our actions and decisions.
- We apply zero tolerance to bribery or any other form of corruption.
